If you cannot attend but would like to donate, tax-deductible contributions may be made to the 1889 Foundation via the methods listed above.

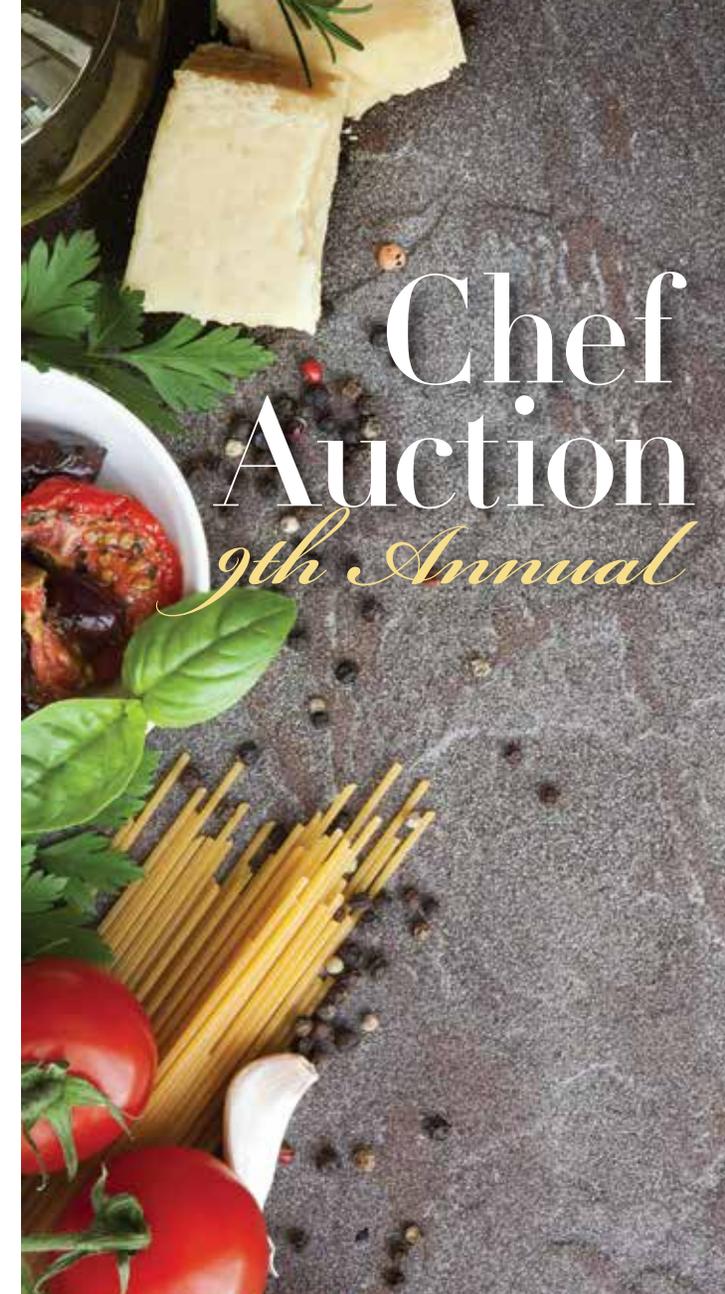

The Chef Auction will once again support the needs of children in our community. Proceeds from this year's event will be used to provide grief counseling and support for children of all ages who have experienced the loss of a loved one. Funding will be provided to the *Healing Patch* through the Home Nursing Agency. This program provides the following services free of charge to children and their families:

- On-site support at the *Healing Patch* where families meet twice a month throughout the school year.
- In-School Peer Support Groups & Grief Education provided in the classroom. Staff and trained volunteers from the *Healing Patch* provide education and facilitate group discussions to high school students on the topics of grief; loss and death; and dying.
- *Healing Patch* staff offers speakers to go into the community to speak on topics related to loss, grief, death and dying.

Children are able to share memories and experiences to learn what they are going through is normal and that hope and healing are possible.
